Thank You

*The Class of 2023 would like to wholeheartedly thank
our supportive families for their endless encouragement,
our caring teachers for providing amazing learning opportunities,
our dependable ACS custodial staff for all they do every day,
our security staff for always greeting us with a smile and keeping us safe,
our drivers for meeting all of our transportation needs,
and last but not least, our ACS Administration...*

*They have worked tirelessly to provide us with an environment that allowed us to
flourish as global advocates, self-motivated learners, and creative problem solvers.*

We truly appreciate you all!
